The Biannual Newsletter
Vol-IV, Issue-I
January to June, 2020

MESSAGE FROM THE PRINCIPAL

The COVID-19 pandemic has resulted in temporary physical closure of educational institutions across the country. The pandemic threatens to significantly alter nearly every aspect of college life from admissions and enrolment to sports week. The pandemic has pushed the educational institutions to drastically reinvent ways of coping with 'new normal'. The new normal created by COVID disruption has accelerated the move towards online and virtual/digital learning. We have witnessed sudden and dramatic pedagogical shift from traditional to online classes, personal to virtual instructions and seminars to webinars. At present, we are all involved in digital world and we must react positively and manage to ensure the continuity of teaching learning. Online education has gained relevance and ensured its continuity. College should develop a strategy to combine physical and online learning to meet students' expectations and enhance the learning experience. The successful transformation of Higher Education in the post-pandemic period therefore requires specific policies to address new challenges in Higher Education.

To,

EDITORIAL

Dear Reader,

When shouldering the responsibility of editing this issue of Udayan was given on us our hearts elated with much joy and pride. Although the pandemic ridden life of us got a halt but our college activities did not shatter its enthusiasm to a bit. As such we witness a few remarkable events held both virtually and non-virtually adapting to the new normal of pandemic ridden life.

Apart from holding the College Week festivities as well as a few activities such as Awareness Campaign related to COVID-19 precautionary measures in the neighbouring areas, making of hand sanitizer, a few sports event just before the outbreak of the disease were held physically. Apart from these, most of the events were held virtually throughout these six long months.

In accordance with the previous issues, this issue also contains sections related to Teachers' Activities, Departmental Activities and Students' Activities of various Departments, Library Activities and the Activities of the NSS and NCC Units of the college. With a vision and mission to enhance the academic prowess of both the teachers and students of college we have tried our best to capture the handful of activities in this issue of UDAYAN.

Finally we express our sincere gratitude to all those who have contributed immensely to this edition of Newsletter so as to make it an interesting read.

Happy Reading...

Dr. Raujlina Siraj Farjina Akhtar
